PBIS Goal Made!

**Happy New Year!
Welcome Back! We
had a GREAT, SHORT
week!**

For our Quarter 2 Goal, if we make it, we will be going ice skating at the rink in Marshall on January 24th. Parents are welcome to meet us there. We will be back at school in time for the bus!

Reading and Language Arts and Writing: We spent some time reviewing story elements (characters, setting and key events, like what happened at the beginning of the story, what happened in the middle, and what happened at the end). We also reviewed all the letters we have covered so far and our Star Words.

We will be doing some testing next week, both on the computer/iPad and individually.

Math: We did the introduction to Chapter 6 which will be on Subtraction. We also worked on some graphing.

We are in need of snacks for our classroom. Please pick something up for the class to share. Keep in mind, I do have a fridge in the classroom and we have access to a freezer as well.
