PBIS Goal Made!

**Our first full week back was great!  
We did some review of the Spartan  
Code ~ Excellence, integrity, Belief  
in self and encouraging others!**

**For our Quarter 2 Goal, if we make it, we will be going ice skating at the rink in Marshall on January 24th. Parents are welcome to meet us there. We will be back at school in time for the bus!**

**Reading and Language Arts and Writing:** We have begun Unit 5 on Technology at Home and at School. We started our week by talking about the future. Our two readings talked about things that have not happened yet. See if your child can remember some of the things we discussed that may happen in the future from our stories. We concentrated on the letter Bb this week. This one is important as it is confused with Dd often (lowercase). The students are doing a nice job of using the posters in the room to help them figure out what letter they need or even words. We worked on Star Words, made a list of words that begin with the letter Bb, worked in our Alphabet notebook, created a Bumble Bee and worked on handwriting. We are working on writing sentences, finding nouns, punctuations that end sentences and, of course, sounding out words and reading on our own.

**Math:** Chapter 6 has begun. Because of testing, there has been very little math homework. I will send some tonight (Friday).

**We are all finished up with testing. The students did a wonderful job! It was great to see growth! Next week is the last week of Quarter 2! Crazy, that we are almost half way through our school year!**

Go Vikings!
